

David Field Solo Guitar

Stage Requirements

For intimate shows with no PA:

- 1 normal height armless chair with cushion
- 1 small accessory table or stand
- 1 bottled or filtered water, (no ice)
- Comfortable lighting

For shows with sound reinforcement:

- 1 vocal microphone Shure SM-58 or better on boom stand
 - 1 normal height armless chair with cushion
 - 1 small accessory table
 - 1 AC electrical outlet within 6' of accessory table
 - 1 monitor wedge
 - 1 bottled or filtered water, (no ice)
- I will provide one xlr and/or a ¼" phone plug output from my Fishman preamp and reverb unit. In addition the venue is welcome to mic my guitar with a good quality condenser mic.

Air quality is very important; please no smoking of any sort and no strong cleaners, solvents or chemical agents.

Thank you!
